

**A Statement of Support for the Sabes Jewish Community Center  
and the Barry Family Campus**

Warmest Greetings,

We wish to express our deepest support, concern, and prayers for the well-being of all your staff, leaders, the many people you serve, and the entire Jewish community in light of the threat of violence you received last week.

In times such as this we reach out to you to declare that together we will support and protect one another. We are all neighbors with one another, and we are all one in the fundamental commitment to honor each other and the safety and security of our religious communities and all their good work.

Please know that you are not alone! We are with you!

And we convey our very best to you for the coming days.

Sincerely,
