Israel Study Tour

For Minnesota Legislators and Community Leaders

Participant reviews

"Well done and best organized trip I have ever been on... uniquely and thoughtfully planned."

"The ability to learn about and experience one of the most complex places in the world is life changing."

"Everyone should go and experience this to have a far better understanding of global politics, religious politics, middle eastern politics and how the USA fits into all of it."

"Hearing unfiltered testimonies from Israelis and Palestinians opened my eyes."

Israel Study Tour

“

Participant reviews

“I felt safe and visited locations and heard from people that I never would have seen if I had gone on my own.”

“This was a trip of a lifetime. I learned so much about the history of the land, people, politics, religion, and culture. My perspective on this region of the world is forever changed and better informed.”

“I understand the governmental system much better, the history of Jerusalem much better, and the Israeli/Palestinian issues much better.”

“Truly a study tour and not a typical tour. We were busy morning, noon, and night. My knowledge of the area, the people, and the current challenges were greatly enhanced.”

“I learned a ton. I also had a great time, and the food was fantastic.”

“I was impacted on so many levels. I was so emotional and still am about it. It feels life changing.”

“ Nice accommodations.”

“Deeply impacted by the depth and breadth of experiences.”

“The experience provided a new lens of tolerance and a renewed sense of pride, benevolence, and respect for peace.”

“Being there in person, better understanding the history of the land, who has been there, the changes in control over the years, what the different parties think of each other from a leadership and everyday citizen perspective is so powerful.”

“The JCRC is an ethical and highly professional organization that facilitates unfiltered access to the people and places of Israel. I left feeling that my curiosity had been satisfied.”
