### ***Between Home and Homeland: Jewish College Students Confront the Israel-Gaza Conflict asnd Campus Divides***

#### **6 Categories of Jewish students**

- **The Affirmed:** Students whose pro-Israel activism and connection to Jewish identity deepened after Oct. 7
- **The Aggrieved:** Activist students who felt betrayed by Jewish institutions
- **The Retrenched:** Students who retreated into private Jewish spaces for safety and support
- **The Conflicted:** Students grappling with the moral and political complexities of the Israeli-Palestinian conflict
- **The Disillusioned:** Students let down by Jewish and Israeli institutions, fostering skepticism and distrust but not action
- **The Disengaged:** Students who distanced themselves from both Jewish and campus political discourse, often due to a desire to avoid conflict
